# Budget Overview

## State and Federal Funding

The College of Agriculture and Life Sciences received more than \$74 million from the state of Iowa and the federal government during the 2020-21 fiscal year to carry out its teaching, research and extension missions.

## General University

The college receives funds from an Iowa State University **General University** line item in the state budget that funds personnel, facilities and programs on campus. The 2020-21 funding total was \$34,730,232. The college primarily uses **these funds to support teaching programs.**

## Agriculture Experiment Station Funding (IAHEES)

The Iowa Agriculture and Home Economics Experiment Station (IAHEES), directed by the dean of the College of Agriculture and Life Sciences, receives both state and federal funding. The Experiment Station is a separate line item in the **state budget** dedicated to research to meet immediate and long-term research needs of Iowans. In FY20-21 the IAHEES received **\$29,462,535.**

The table shows state and federal funding for the College from Fiscal Year (FY) 2011-12 through 2020-21.
